AMUSEMENTS.

of the power it once possessed to make known its wants? By reference to section 9 of the charter, we find a most liberal provision viz: "That the school beard shall in Decem Camilla Urso, assisted by Miss Nellini and the Mendelssohn Quintette club,made her ap-pearance at Leubrie's Theater last night, af ber of each year make an approximate es-timate of the expenses for the ensuing year, timate of the expenses for the ensuing year, and submit the same to the mayor and aldermen, etc., whose successors in office shall proceed to levy atax " not to exceed ten dollars, for every youth between the ages of six and twenty years. The change in the form of our city government necessitates a change in the manner of providing for the levying of the tax. Should not the board of education make known to the legislature its wants, i. c., supposing the board has a corporate existence recognized by the laws of the State? Has the board of education submitted to the legislature, as provided, its estimate of expenditures, and asked for a levy commensurate with our wants? Some one must be interested in keeping up our police system, but it strikes me that the schools are left to their fate. Who ever heard before that watching the rogues of a city should

Mr. Joseph H. Choate was cross-examining a lady in his own melodious way in a case before the surrogate. The point was whether an old lady had understood a conversation at which she was present, and the witnesses and the witnesses and the witnesses are considered as the point was whether an old lady had understood a conversation at which she was present, and the witnesses are considered as the point was t his hands over his locks), assuming his most Goethe-like look and fixing his piercing eyes upon her, continued, "Did she look as I look now?" "Yes," said the witness, recovering herself at once. "Yes; just so, kinder vacant like." Mr. Choate's commonplace book of legal wit and anecdote will, when the public The city residence of Judge Latham, legal wit and anecdote will, when the public get it, be the most interesting of all his

Here is a story they are telling just now on a London troop ship: In the ladies' cabin were four wash-basins, one of which was much larger than the others. There to play this work, and for that purpose was ounds were about equal in rank. The women always think they have a right to presume on the rank of their husbands when taking choice of berths, etc., and there was a great discussion as to who was entitled to use the big basin. It was referred to the paymaster of the ship, who could settle nothing, and eventually to the captain. He gave a decision of the same transfer of the ship, who could settle nothing, and eventually to the captain. He gave a decision of the gard of eventually to the captain. He gave a decision worthy of Solomon. After first asking them if they would abide by his verdict and not give any more trouble in the matter, which they readily agreed to, he said he thought it was only fair that the oldest lady should have the biggest basin. That basin was never used during the whole voyage.

Muffs and collars of ducks' feathers dyed red are the last manifestation of scarlet fever that rages in Paris.

Rubber and horn for bracelets are likely to be dethroned by white kid, hand-painted and mounted with strips of gold.

Madame Thiers read all of her husband's speeches. If he had been a clergyman she would have religiously listened to all his sermons.

A Mess. Meyer of Lucietz centil. Description and satisfying. It would be impossible to say too much for Mr. Schade's performance of the third number in the first part. It tested both his powers of endurance and his capacity for the most difficult instrumentation. His tone is pure and full, and his expression artistic. He very kindly responded to an encore, notwithstanding he must have been written when the one of the boxes with his wife, cried out in a ringing voice, "Let every one stay in his place." The soldiers immediately became motionless, and the marshal resumed. Let every one go ut quietly in order, the younger soldiers first, then the older, after them the non-commissioned officers, then the officers, the highest to go last." In a few mounted with a view to cover all the possibilities of the flute. Mr. Ryan quite won the audience of the third number in the first part.

The soldiers immediately became motionless, and the marshal resumed. Let every one go ut quietly in order, the younger soldiers first, then the officers, the highest to go last." In a few mounted with a view to cover all the possibilities of the flute. Mr. Ryan quite won the audience to say too much for Mr. Schade's performance of the third number in the first part.

The soldiers immediately became motionless, and the marshal resumed. Let every one go out quietly in order, the younger soldiers first, then the officers, the highest to go last." In a few mounted with a view to cover all the possibilities of the flute. Mr. Ryan quite won the audience of the box with his wife, cried out in a ringing voice, "Let every one go ut quietly in order that the view to cover to the clarionet, an instrument that has been too much neglected by soloists, and is too being trodden on. The marshal and his

Mr. Labouchere recently said in an article in *Truth* on the London stage: "Actresses live in a world of their own. They general-A Chicago paper says that Kate Field is conversation amid the rendering of the charming music by the company. Ill-mannered roughs should be attended to by the Theater management, and be put out when become a nuisance. People who love music and who attend the Theater should be protected and be permitted to enjoy a concert. All ruffianism should be suppressed.

A Chicago paper says that Kate Field is solo on Le Desir, by Servais, which was the first number on the sleep of the same author. Their real ship the best advertised woman in America, after Servais, which was the first number on the second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in second part, gave the Fantasis Burlesque of the same author, arousing the audience to a disappeared into Sarah Bernhardt, but that Miss Field is, in the testing of the solo on Le Desir, by the company. Illimant the best advertised woman in America, after Sir be exampled of the solo on Le Desir, by the part of the solo on the Bernhardt in the best advertised woman in America, after Sir be avassage! The sam 'cella playing. In breadth, compass, power, depth, rapidity and exactness of execution, sweetness of tone, and sympathetic and ten-der feeling, Mr. Giese is almost equal to the moment they are in the wildest spirits, at another in the depths of despair, and those master whose fame is linked with the king of instruments. Madame Urso, who, as we have said, was received with warm and friendly greetings, played the fourth number in the first part and the third in the second, and for encore The Last Rose eyes alternately either melodramatic villains plotting their destruction or those angeli things that have no existence out of play-If they are asked why they love or hate the insist that they are endowed with a peculiar instinct, and this instinct, which most people of Summer. She is a great artist. The flight of years has increased the power, intensified the earnestness and deepened the would call unreasoning caprice, they exalt as entire service used upon the suprer table (even to the cups) was of gold and silver. The mistress of the house wore white satin embroidered in silver. Her bouquet, of lilimpaneled to try an actress for murder I should approach the inquiry with the feeling that nature had probably not been lavish to worth any sewing girl's wages for a month.

No Paris woman who is anybody ever wears any other than silk underclothes, and the most fashionable color for that, as well as many other articles of dress, including the corset, is red. A celebrated modiste says:

"It would be quite impossible to produce the same effects on an English or American figure, for the reason that so much and bungling underclothing is worn. A French woman has everything to fit her figure exactly, thin and fine in material, and regards a fold or wrinkle as a device of the arch enemy to injure her appearance."

In other days, but she has made a great gain in the masters and subjection of the emotions, but should approach the inquiry with the feeling that nature had probably not been lavish to her in that harmony of intellectual powers which produces moral responsibility."

Pall Mall Gazette, January 3d: "The 'festival of humanity' was celebrated on Saturday afternoon at the church of Humanity which she expressed with a depth of feeling that nature had probably not been lavish to her in that harmony of intellectual powers which produces moral responsibility."

Pall Mall Gazette, January 3d: "The 'festival of humanity' was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity was celebrated on Saturday afternoon at the church of Humanity and positive of the same and the period control of the interval of humanity was celebrated on Saturday and subject on the same after a that harmony of intellectual powers which produces moral responsibility."

Pall Mall Gazette, January 3d: "The 'festival of humanity and sa row. After the reading of a portion of the sixtieth chapter of Isaiah and a passage from Dante, prayer and music, Dr. Richard Congreve proceeded to deliver a discourse. In the outset he spoke of political questions, and with regard to Ireland, said all could but wish that the nation and its rulers might read aright the lessons of the past, and that, with a tempered firmness, they might control

were responsible, but he, at the same time, must regret that the recent change in the humanity were becoming fully understood year by year. Both in Paris and London the two centers were steadily at work, and he

the systematic worship of the theological faith—which was the supreme end to which all true followers of Comte must direct their pearing in strong force in the family circle and even in the galleries. Down stairs it was impossible for scores of people to secure standing room, all the aisles being packed It is estimated that during the theatric by men, women and children, who preferred to stand up and see Lotta than to go away. The play was the old one, Zip, or Point Lynde Light, with Lotta as "Zip." She acted, sang, danced, cavorted, kicked and presented a year over half a million dollars is expende y traveling combinations in pictorial prin ing, lithographs and work of a similar character as a means of course, of advertising. Some of the attractions are necessarily better provided with paper than others, and it is common thing to see the bills of a dramatic greater number of grotesque positions than it is possible for any other actress to assume. tar completely overshadowed by She pleased everybody, the audience laughed and screamed at the little elf, who seems some variety company. In such cases the money which the former has expended in ilto be irresistible. It was Lotta and that was luminated printing is practically thrown away—in bad weather, indeed, it is actually sufficient. The support was very good. The company left for New Orleans immediately after the matinee and will to-night give a thrown into the gutter. The Baltimore American doubts, however, whether under the most favorable circumstances it pays any first-class attraction to invest money in thi sort of advertising. If any one will take the trouble to notice the kind of people who stop to read the gorgeous bills with which the dead walls and fences of a city are adorned, To-morrow night the above named bur-esque company will open up an engagement in Revels at the Theater, to be followed during the week by other burlesques-Hiavatha, Horrors and Babes in the Wood. A Philadelhe will discover that they are chiefly the street gamins, who, if they do patronize the phia paper says of the play and the com-pany: "Both in the size of the audience, which was limited only by the capacity of the auditorium and in the unbroken series of dred well-dressed and respectable-appearing persons pays the slightest attention to the display. Money spent in newspaper advertisements, on the other hand, is hearty manifestations of thorough enjoyment with which they were greeted, the favorites who are known to the public as Rice's Suradvertisements, on the other hand, is bound to come back; for the reason that sented the popular and refined extravaganza,
Revels. With a couple of material exceptions, the company was the same that had
made Revels the embodiment of frolicsome
made revels the popular and refined extravaganza,
makes no difference in the value of the advertisement; and, finally, that a newspaper
can be carried about and taken home, while a ten-foot poster is the most immovable of fixtures. Some theatrical managers have other known remedy had been used in vain, its efficacy in restoring the function of Distance in gubscribers for Our Country, an elegantly its efficacy in restoring the function of Distance is that of Miss Alice Atherton, whose of stage setting and costumes. The most immovable of stage mechanism, and description of stage mechanism, and description of stage mechanism, and efficacy in function is stage in the adversion of SLIGHTLY DAMAGED.

CURRENT PUBLICATIONS.

STRAWS is the title of an alleged funny paper, printed in Louisville, the first number of which has been received. Just what vacancy in journalism it expects to fill is not made clear.

of which has been received. Just what vacancy in journalism it expects to fill is not made clear.

OUR LITTLE ONES, is a monthly magazine designed for the instruction and amusement of the youngest children that can read, and fully carries out the design. The February number, just received, is a storehouse of good things for the little folks, embracing numerous sketches beautifully illustrated. Send \$1.50 to the Russell Publishing company, 149 Tremont street, Boston.

THE SOUTHERN MUSICAL JOURNAL for January contains an interesting sketch of the life of Arbuckle, the cornet virtuose, and two pieces of music, Come Back to the Old Home Again and the Bernhardt Scottische. Send your address and a three-cent postage stamp to the publishers, Ludden & Bates, Savannah, Georgia, and they will mail you a specimen copy.

At the close of the past year the tobacco trade of St. Louis presents a most satisfactory record. With a market that is readily accessible from the tobacco-producing sections, and with greatly increased and improved facilities for distributing the manufactured goods, St. Louis may fairly be said to rank as the foremost tobacco manufacturing center in the country. The influence of Mr. J. T. Drummond, the public spirited originator of the Drummond Tobacco company, in fostering and developing the tobacco-producing sections, and with greatly increased and improved facilities for distributing the manufactured goods, St. Louis may fairly be said to rank as the foremost tobacco manufacturing center in the country. The influence of Mr. J. T. Drummond, the public spirited originator of the Drummond Tobacco company, in fostering and developing the tobacco trade of St. Louis, can scarcely be overestimated. He has aided materially in every movement in this direction, and by his enterprise and liberal the world. This company is one of our solid commercial institutions, and during the past twelve months the growth and development of their already enormous trade
